PROFILE SUMMARY

Final year Computer Engineering student with a strong interest in web and mobile application development. Passionate about developing modern and user-friendly user interfaces using React, TypeScript, and React Native (Expo). Always eager to learn new technologies and willing to improve my skills in frontend and full-stack development.

EDUCATION

Institute Of Infrastructure Technology Research And Management

B.Tech in Computer Engineering

Ahmedabad, Gujarat, India

Expected Graduation, May 2026

The Modern Higher Secondary School

12th Science - Percentage: 84.67%

Wankaner, Morbi, Gujarat

2020 – 2022

TECHNICAL SKILLS

Programming Languages: Python, C++, SQL

Development:

- React.js
- Node.js
- Tailwind CSS
- React Native (Expo)
- Express.js
- Shadcn UI
- TypeScript
- Socket.io
- Daisy UI

Version Control & Deployment: Git, GitHub, Vercel, Render

Databases & Cloud: MongoDB, Convex, Firebase, Cloudinary

Other Tools: Postman, Clerk, Resend, Stripe

PROJECTS

Chatlight - Real Time Chat Application ↗

May 2025

Tech Stack: MERN Stack, Socket.io, DaisyUI, Tailwind CSS, Firebase, Cloudinary

- Implemented real-time messaging with online/offline user status and message seen/unseen indicators.
- Integrated Google OAuth authentication with email verification and complete profile management.
- Added chat features such as message pinning, message editing, replies, image sharing, and custom theme selection.

SecretSpace - Anonymous Confession Platform ↗

Jul 2025

Tech Stack: React.js, Convex, Clerk, Tailwind CSS, Resend, Crypto.js (AES)

- Developed an anonymous confession platform where users can post and interact without authentication.
- Implemented secure one-time secret message links with AES encryption and real-time countdown timers.
- Added confession filters (Newest, Most Liked, Most Commented) and profile privacy settings.

QuizSync - Online Quiz Management System

March 2024

Tech Stack: MERN Stack, Tailwind CSS, Material UI

- Built a web-based platform for creating and taking quizzes with a user-friendly interface.
- Added real-time timer functionality for quizzes and recorded user performance history.
- Developed an admin page to manage students, and to add and manage teachers and subjects.

EXTRACURRICULAR ACTIVITIES

- **Participated in 6+ Hackathons** – Focused on problem-solving and team collaboration.
- **Winner – Intra College Cricket Tournament** - March 2024
- **Free Fire E-sports Event Organizer** in university Club - August 2024
- **Volunteer, NSS IITRAM (2024–2025)** – Contributed to community service initiatives
